PESTANA VILA LIDO

PESTANA PALMS

Good taste, extraordinary views, perfect location: The Pestana Palms at the Pestana Vila Lido Hotel is a five-star resort with direct access to the sea and very near to the centre of Funchal. Built in the Lido district, one of the most elegant parts of Madeira's capital, it is, at the same time a modern and a traditional space.

An extraordinary cliff top building houses the well-appointed apartments all with spacious sun terraces, are set in the grounds of the historical Vila Lido quinta. The former country house, a huge chalet that evokes the sophistication of tourism at the dawn of the 20th century, conserves the charm of the origins of Vila Lido which go back to 1938. It also houses the common areas. Between all buildings, a splendid garden and the swimming pool alongside the ocean. A feature of the resort is the large pool built into the rocks at sea level also giving guests the option to swim in the sea. Other facilities include a health club, gym, library and games room. Madeira International airport is only a 20 minute drive away.

The Pestana Palms close proximity to the Atlantic is an immense privilege. The steps that lead down to the sea, were built to ensure total safety, and they are the only way to access the warm, calm waters and enjoy a swim. In the background, on the horizon, there is a spectacular panoramic view of the Desertas Islands.
